- 2) If you plan on using this card in the future, check the box to save your card to your donor profile. You will then have your card information saved for future donations.
- 3) Check the box if you want to cover the processing fee for the donation.
- 4) Click *Give* to submit your donation.

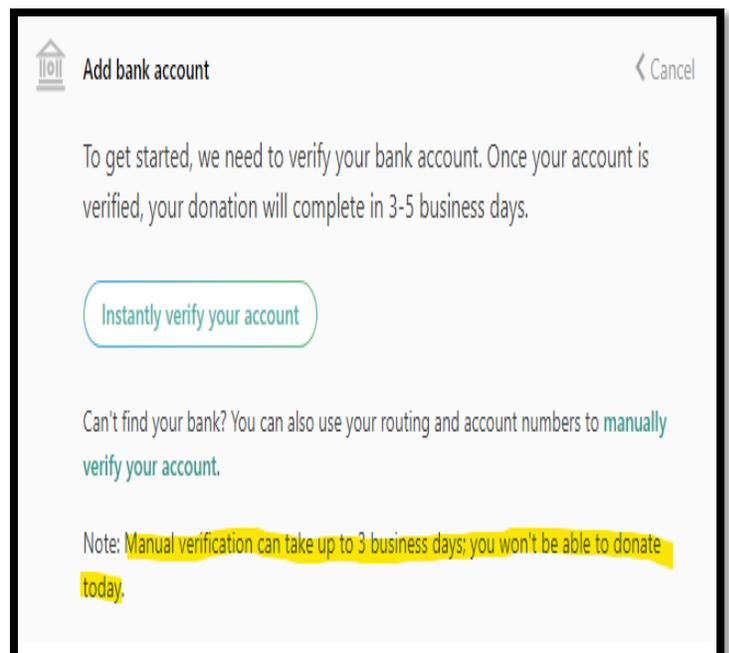

### Donation via Bank Account

**When giving with a bank account for the first time:**

- 1) You will have to verify that you own the bank account.

*(May take 3 to 5 business days depending on the method – automated or manual process is utilized.)*
